

Ergin Sezgin

Address

Department of Physics, Texas A&M University, College Station, TX 77843-4242.

Phone: 979-845-7795

Fax: 979-845-2590

e-mail: sezgin@physics.tamu.edu

Personal

Birth Date: July 26'th, 1953

Birthplace: Mardin, Turkey

Citizenship: Turkish-American

Education

B.S., Hacettepe University, Ankara, Turkey, 1975

Ph.D., State University of New York at Stony Brook, 1980

Professional Experience

1980-1981, Research Associate, University of Texas at Austin

1981-1985, Research Associate, International Center for Theoretical Physics, Trieste, Italy

1985-1989, Faculty Member, International Center for Theoretical Physics, Trieste, Italy

1990-1993, Associate Professor, Physics Dept., Texas A& M University

1993-date, Professor, Physics Dept., Texas A&M University

Honours and Awards

Ihsan Doğramaci Award for Outstanding Achievement in Physics, Hacettepe University, Ankara, Turkey

Turkish Scientific Council (TUBITAK) Science Award

Research Grants

- NSF grant PHY-9106593, "Elementary Particle Theory", 1991-1994 Co-PI's: R. Arnowitt and M.J. Duff.
- NSF grant PHY-9411543 (renewal of the above grant, 1994-1997).
- NSF grant PHY-97220090 (renewal of the above grant, 1997-2000).
- NSF grant PHY-0070964, "Elementary Particle Theory", 2000-20003, co-PI: R. Arnowitt.

- NSF grant PHY-0070964, “Elementary Particle Theory”, 2003-20006.
- NSF grant PHY-0555575, “Strings, Branes and Search for Unification”, 2006-20009, co-PI’s: K. Becker and M. Becker.
- NSF grant PHY-906222 (renewal of the above grant, 2009-2012).
- NSF grant PHY-1214344, “Strings, Branes and Holography”, 2012-2015, co-PI’s: K. Becker and M. Becker
- NSF Grant INT-9321168 for the 6th Regional Conference on Mathematical Physics, held in Islamabad, Pakistan, 5-11 February 1994.

Graduate Students Advised

Zurab Khviengia
 Igor Rudychev
 Sadık Değer
 Ali Kaya
 Der-Chyn Jong
 Mehmet Özkan
